Sugar And Spice (L.A. Candy)

Synopsis

Sugar and spice . . . not everyone's nice. Fresh from being betrayed by one of her closest friends, new celebrity Jane Roberts has learned a few lessons. Most important: know who to trust. And in Hollywood, that list is short.Â Determined to get control of her life, Jane swears off boys and all the trouble they bring. But when high school sweetheart Caleb and L.A. crush Braden show up, both acting sweeter than ever, Jane has a hard time remembering her no-boys rule. And for the first time Jane's best friend, Scarlett, has only one guy on her mind: her new boyfriend, Liam. But being on a hit reality show means hanging out with other guys on-camera, and Liam isn't too happy with pretending to play a bit part in her love life. Just when everything feels out of control, Jane makes a discovery that changes everyone's definition of "reality" forever. In television star Lauren Conrad's L.A. Candy series, the drama is pure dishy fun.

Book Information

Series: L.A. Candy (Book 3)

Paperback: 288 pages

Publisher: HarperCollins (April 5, 2011)

Customer Reviews

After a surprisingly mediocre second novel in her "L.A. Candy" trilogy, Lauren Conrad has returned to form with "Sugar and Spice." She effectively pays off all the umbrella arcs set in motion in the first two novels while still bringing in fresh, fun drama that (dare I say) firmly establishes her as a fresh, interesting voice in the teenage book market. Before I dive in, let me warn you that I will be making note of the parallels between this novel and Conrad's now defunct television show "The Hills." If you have not seen the show, then please check Wikipedia if you get confused. "Sugar and Spice" begins

with the premier party for the second season of "L.A. Candy." Jane and Scarlett (different halves of Conrad's personality) have patched up their friendship and enter the second season with mixed emotions, both wanting to be there but also wanting to embrace other ambitions. Jane's feud with Madison (Heidi) has only deepened over the hiatus thanks to Madison continuing to lie to the press about leaking explosive personal information to the press about Jane, and Jane must struggle with the fact that her side of the argument cannot be portrayed on her reality show. Oh, and Gabby has hired a publicist ready to rocket her from the D-list to the double D-list. Conrad introduces a juicy, soapy new character in Madison's half-sister Sophie, who basically blackmails Madison onto getting a role in "L.A. Candy" after a little nipping and cutting. Conrad has wisely realized that it would have hurt Jane's character to have her sink to Madison's level in order to take her down, and her introduction of a mini-Madison brings the book a lot of life and fun.
