Trout Of North America Wall Calendar 2017

Synopsis

With 470,000 copies sold, TROUT OF NORTH AMERICA is the calendar that appeals to the passion of the angler with a dozen distinctive illustrations by celebrated fish artist Joseph R. Tomelleri. The portraits are breathtakingly realistic, capturing each subject's finest details and subtleties—the silvery shimmer of the Pink Salmon, the intricate play of patterns and bold colors on the Arroyo la Sidra, the beautiful but elusive Brown Trout. Each month's image is accompanied by range maps, hatch charts, and authoritative text by George Scott that delves into habitat, life cycle, physical characteristics, and species populations. Packaged in a full-color gift box, it's a sophisticated gift for sportsmen.

Customer Reviews

Beautiful pictation of various trout, both common and uncommon, from around the country. The quality of the calendar is such that I purchased one each year following my initial purchase several years ago.

Who the hell wouldn't love this calendar? Perfect gift for my wildlife & fish biologist friends.
