Netflix: How Reed Hastings Changed The Way We Watch Movies & TV (Wizards Of Technology)
In our modern, technology-driven world, a few important individuals have changed the way we live. With each new, great tech idea, our world becomes more interesting and complex. Many young people may know the names of the biggest technology and Internet-based companies, but do they know the story of the creators and businesses behind names like Netflix, Google, YouTube, and Facebook? This series tells the biographies of the titans of technology who are changing our world. Each book explores the life of an individual who started one of the world's most popular companies.
