Customer Reviews

Easy, informative, refreshing. For everyone, a must in our industry. Judy is making this business enjoyable and forward thinking. All retail organizations should have a copy.

Great book for people who would like to learn more about retail store layout and display. After reading a few pages, I realized just how little I knew about merchandising. I will be learning much more than I ever thought. Our store front windows already have changed and our customers love them!

As described and fast shipping.

Excellent read. Excellent condition. Just a few highlighted areas, but no biggie!
