The Natural Speaker, 8th Edition
Synopsis

The Natural Speaker is a concise, practical, inexpensive, student-friendly guide to public speaking that explores the basic skills necessary to present a natural, effective, and rewarding speech to any audience. By providing a basic knowledge of speech construction, practice, and delivery, this book is designed to enhance and improve students' natural speaking strengths. Featuring a warm, simple, and humorous writing style, The Natural Speaker presents the fundamental concepts and skills required for effective speaking.

Customer Reviews

Concise. Randy draws parallels to everyday communications and the importance of considering the principles and elements of communication. He covers all you would need to know to improve communication in settings that go beyond the podium.

Poor anecdotes, awkward writing style and over simplification mark the pitfalls of this book. This book reads like a hastily written presentation with easily refutable examples. Maybe a good book for jr high and high school students, it's essentially public speaking for dummies.

I have just finished first chapter, and I have already like it. This is a great book to improve communication skills. This is one of me University's text book that offered. I wish I had bought this book not rent it.
Excellent Book! Excellent Seller! A+ Would love to do business again in the future.

Book contains great content. Rental - a little bent NOT from me.:-(

Great book is good shipped fast

Great resource book!!!!!

Bought it for my class. Its brand new and looks great and came at a good amount of time.
