I bought this as a gift for my cousin and she text me 2 days ago she started her coloring and she loves it "so relaxing" she stated. I have bought quite a few different coloring books for family and friends., I also bought myself a couple and I just love it.

This coloring book is beautiful! Was looking for something sweet yet creatively inspiring for an older child and me to color together and this is perfect. A fabulous choice for oneself or to give as a gift

Beautiful! Great for pen coloring and I love the sayings.
