On Moral Medicine: Theological Perspectives On Medical Ethics

Synopsis

In print for more than two decades, *On Moral Medicine* remains the definitive anthology for Christian theological reflection on medical ethics. This third edition updates and expands the earlier awardwinning volumes, providing classrooms and individuals alike with one of the finest available resources for ethics-engaged modern medicine.

Customer Reviews

This is a graduate level text book on bioethics and it is a library all by itself. Takes the place of five separate texts. It is a large and heavy book, so I have really enjoyed carrying my ebook to class every week!

Very pleased

Thank you
