## Customer Reviews

This is an expanded edition of the original Dark Ages Werewolf book. First, the book keeps insisting that you need Dark Ages: Vampire to use this book, but any Werewolf book will do. The book covers in great detail all 10 tribes of Medieval Europe in full detail. All the various gifts are detailed as well. If you are a VAMPIRE player who always wanted to check out the Werewolves, this is the book for you, as it seems to be written for you. Veteran Werewolf players can skip all the Vampire stuff and find stuff that they will like. Definitely recommended.
