Customer Reviews

There were several titles by Grace Livingston Hill that I'd been unable to find. I was delighted to find them here. This paperback includes *The Honeymoon House*, *Life Out of Death*, *The Old Guard*, *The House Across the Hedge*, *The Wedding Garment*, *The Minister's Son*, *The Divided Battle*, *The Strange God*, *The Lost Message*, "My Brother's Keeper". These stories are more like parables than the GLH novels.

The Honeymoon house is a compendium of short stories that are interesting in and of themselves, but contain a deeper spiritual message than the short story at first glance. Grace Livingston Hill was an anointed author with a gift that enabled her to take Biblical principles and church doctrines, and weave them into unforgettable stories, leaving the reader completely satisfied, entertained and edified!

I have loved G.L.H. since I was young, and reading my mom's books. I have about 60 of them, so to

get a new one, was wonderful.

Grace Livingston Hill stories are always enjoyable. One of the things I enjoy most is how they reflect an era so completely different from today's age.

It was ok but not one of my favorites. It came on time and in good shape.

She writes from a different era but to me it is oh so refreshing.

Loved this book I am hope I will soon get a lot more of them

This book is great as are all of grace livingston hills books. I highly recommend if you are a fan of her books.
