ISBN-10: 1107518695  
Product Dimensions: 8.6 x 0.4 x 10.9 inches  
Shipping Weight: 12.6 ounces (View shipping rates and policies)  
Average Customer Review: 4.5 out of 5 stars  
Best Sellers Rank: #1,087,542 in Books (See Top 100 in Books)  
#83 in Science & Technology > Computers  
#366 in Books > Teens > Education & Reference > Science & Technology > Computers  
#255024 in Reference

**Customer Reviews**

This is far from being the perfect book for IGCSE CS, but its much better than the only alternative ... the white book by Watson and Williams (hodder education). Unlike that book, the material here is properly divided into digestible chunks, illustrated with adequate pictures and diagrams and sufficiently explained. On the downside, unlike other Cambridge Science titles, there is no accompanying disc with activities and multimedia (rather strange since this is COMPUTER SCIENCE).

In line with most recent specification. Detailed and useful to students enrolled on this course. Prompt delivery. Thank you.
