Anne Of Windy Poplars (Anne Of Green Gables)

Synopsis

Loved by generations of readers around the world Anne Shirley has a tendency to stir up controversy wherever she goes. And her new position as principal of Summerside High School is no exception. The Pringles, the ruling family in town, want one of their own in the job, and they've made it their mission to drive Annie out. As Anne settles into her tower room at Windy Poplars with the widows Aunt Kate and Aunt Chatty, she finds she has more allies than she knows. And letters from her dear Gilbert Blythe help her remember that with a little bit of imagination, she can triumph over anything... Through Anne's eyes, the ordinary world becomes magical and every day is an adventure. It's no surprise she is a favorite of everyone from Mark Twain to Duchess Kate. This new edition lovingly restores the original, unabridged text and includes an all-new, exclusive introduction with special memories from L.M. Montgomery's granddaughter.

Book Information

Series: Anne of Green Gables (Book 4)

Paperback: 320 pages

Publisher: Sourcebooks Fire; New edition (February 4, 2014)

Customer Reviews

I've read Anne books 1-5 and still have three to go (I've also read "Chronicles of Avonlea," "Further Chronicles of Avonlea," "The Road to Yesterday," "The Story Girl" and "The Golden Road"), and "Anne of Windy Poplars" is my absolute favourite next to "Anne of Green Gables." "Windy Poplars" captures Anne's vivid prose, wit and imagination perfectly, and the numerous side plots ensure that the novel never becomes dull. Much of the story is written as letters from Anne to Gilbert in which she describes her new life in Summerside, her room at Windy Poplars, the household intrigues between Aunts Chatty and Kathy and the tomatolike housekeeper Rebecca Dew, and the schemes

of the spiteful Pringle clan in attempting to bring Anne down. At first the chapters upon chapters of letters seemed daunting, but I gradually grew to love Anne's narrations ("In passing, isn't "dusk" a lovely word?" Anne writes to Gilbert. "It sounds so velvety and shadowy and...and...dusky. In daylight I belong to the world...in the night to sleep and eternity. But in the dark I'm free from both and belong only to myself..and to you." Although some are love letters, Montgomery tastefully omits the romantic portions. Although I found some of the other Anne novels to be a bit taxing (among them Anne's House of Dreams"), "Windy Poplars" is an absolute delight from start to finish and features an extremely memorable cast of characters: Minerva Tomgallon, Jen Pringle, Rebecca Dew, Nora Nelson, Katherine Brooke, Pauline Gibson, Little Elizabeth, Cousin Ernestine, Gerald and Geraldine among them. Some of the adventures are too conveniently arranged, but overall the book feels natural and reads well. Anne's constant adventures, musings and near-disasters are sure to entertain kindred spirits around the globe.
