Synopsis

Happenstance...or God's Great Plan? She's the bold, free-spirited type. She's cute, she's fun, and she's following God. She's Sierra Jensen, Christy Miller's good friend, ready for her junior year of high school! All twelve books in the popular Sierra Jensen series come together in four volumes to reveal the ups and downs of Sierra's incredible God-led journey! Volume Two: Paul's voice lives in her memory, but now it's loud, clear, and right behind her in *Close Your Eyes*. With summer fast approaching, it is *Without a Doubt* bound to be Sierra's best yet. In *With This Ring*, she can't help but ponder the meaning of first kisses and lifetime commitments.

I would suggest it to anyone who liked the Christy Miller books. This was not my first time reading it I liked it so much I read it again and now my sister is reading it we don't usually like the same books but she asked to read these.

This book is really good lots of people just read the first few pages of the vol.1 of Sierra and said they thought it was boring but I tried to read it and read more than the first few pages and loved it and know I can't live without it

My daughter is very happy with her Sierra Jenson collection book she received for Christmas. I enjoyed the convience of ordering on line.

I am a school librarian and needed this book to complete "The Sierra Jensen Collection". I was very pleased with the book and the time it took to arrive.

This is a great series for teens. I would tell everyones MOM to share this series. One of the few good, clean and real storylines.

It has a crack in the spine. Other than that it's pretty nice.

I bought this for my daughter as I loved this series myself.

It came on time and brand new. I love it!
