We ordered this book for our preteen daughter. When it arrived, I skimmed through it to make sure that is was appropriate. There are questions about gay marriage, abortion, as well as "friends with benefits." While we are very open with our daughter about all issues, we felt that these questions were not appropriate for a preteen book.

My daughter was gifted this book for her birthday. Unfortunately she came across inappropriate
material for an 11 year old. Thankfully she brought the book to my attention. I'm sorry but suggestions of drinking and kissing a friend's boyfriend are not welcome in our home.

A big hit for a pre-teen girl! Especially when you have no clue what to buy and they seem to have everything!

Must have been a hit! Instantly took out her pen and started writing and drawing. An 11 year old Birthday gift. What a great way to register who she is at this moment in time.

This was a great gift. My daughter enjoyed the pics and had fun filling it out with her bff and me.
