Career Building Through Creating Mobile Apps (Digital Career Building)
Synopsis

As more people connect online through mobile devices, apps continue to grow in popularity. There are apps for almost every need: health, news, social networking, entertainment, and more, all designed to make the user's life run more smoothly. And app developers are growing in number by the day, turning their talent into a business. This volume gives readers all the tools they need to master the world and business of app development. It is a terrific read for current app developers or anyone interested in going into the field.
