Customer Reviews

I saw this cookbook at a Missions camp this summer, displayed at the booth of a missionary we knew. The recipes are very like the ones we found in Kenya - they have made some adjustments for American ingredients! - so felt assured reading it and so happy to find a copy!

Not only are the recipes great tasting but also fun for parents and children to enjoy cooking together.

This book helped me immensly while I was in need of African recipes. The authors did an impeccable job and I congradulate them.

I really enjoyed reading through all these interesting recipes and hope to try them out shortly. Reading through the reviews also helped me decide to buy this book.
