Customer Reviews

This book has waaaay too much information in it. I bought this book before I bought Becker because I wanted to save some money. Don't waste your time! Time is money, so just spend the money for Becker. This book is like 3 times the size of the Becker audit book and much of the information in it is not very relevant to the test. There is a huge section in here on IT for auditing and I got no questions on my audit exam about any of that. Just pay for Becker and get done with these tests instead of wasting your time muddling through this huge thing!

Great price.

Good

I hope this book can help me pass the exam. I only have 8 weeks left to sit for CPA test.
